Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Tuesday 20 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry, sunny and very warm inland with coastal cloud.

Today:
Mostly dry, sunny, and very warm during today, but cooler towards the coast. Low cloud with isolated fog patches are possible along some coastal areas. Maximum temperature 27 deg C (81 deg F).

Tonight:
Dry overnight, but low cloud and fog patches along coastal areas will move inland to affect many areas, especially eastern parts of the region. A very mild night. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Overnight low cloud and fog patches clearing to the coast through the morning. Then generally fine and dry with sunny spells. Very warm inland, but cooler towards the coast. Maximum temperature 27 deg C (81 deg F).

Outlook for Thursday to Saturday:
Largely dry with sunny spells Thursday and Friday, continuing very warm inland. Low cloud spreading west overnight. More cloud Saturday with some drizzle possible and perhaps slightly cooler.
